Central Pacifies. BANKING OFFICE OF FISK & HATCH, No. 5 Nassau Street, New York,

September 25th, 1371. Of the FIFTEEN MILLION CHESAPEAKE and OHIO SIX PER CENT. LOAN, but about \$4,500,000 remain unsold, and this remainder will be taken up rapidly. The five years' option having expired on all series of FIVE-TWENTY BONDS, except 1857s and 1857s, they are liable to be called in for payment. The redemption of 100 millions FIVE-TWENTIES in coin, and the purchases by the Government during the ensuing four months, with the premium thereon, will release about 150 millions of invested capital, independently of dividend and interest payments, the greater part of which must must seek reinvestment.

THE CHESAPEAKE AND OHIO SIXES have absolutely 30 years to run; are especially de sirable for steady investments, and can now be bought

17 PER CENT. LESS THAN TEX-FORTIES. 20 PER CENT. LESS THAN FIVE-TWENTIES, 25 PER CENT. LESS THAN SIXES OF 1881, and are equally sure to be paid principal and interest in gold coin. Their amount is limited by the Trust Deed to \$15,000,000. Price (at present) 93 and accrued interest, that is, with coupon attached, payable Nov. 1. \$1,000 Chesapeake and Ohio Bond costs to-day

\$ 954.16. \$200 Chesapeake and Ohio Bond costs to-day \$477.08. \$100 Chesapeake and Ohio Bond costs to-day

\$ 95.42. Only a small amount of the latter denomination remains, and no more can be made. Bonds are in coupon or registered form, same as Five-twenties. This debt is created by the Chesapeake and Ohio Railroad Company in order more speedily and effectually to extend and complete the main line of their Road to the Ohio river. This work—THE MOST IMPORTANT INTERNAL IMPROVEMENT NOW PROGRESSING IN THE COUNTRY-is rapidly approaching completion. It will establish another and superior line of communication between the Ohio and Mississippi valleys and the eastern cities; bringing ten millions of people, mainly producers, nearer to the centers of consumption in the Fastern States, and nearer to the political and com-mercial capitals of their country. Such is the commanding importance of this Trunk Line that the larger cities of the West are projecting feeders to connect with it, so as to avail themselves of its unequaled facilities as soon as it is completed. Large tracts of valuable coal and iron lands along its route are passing into the hands of practical miners and

iron manufacturers; a large city is springing up at the western terminus, the head of reliable navigation on the Ohio, where it intersects 12,000 miles of river transit, and will soon be in connection with 30,000 miles of railroad carriage. The CENTRAL PACIFIC SIX PER CENT. BONDS are as safe for investment as Government bonds. Their amount, fixed by act of Congress at \$25,885,000, is secured by property worth four times their value: they can only be bought in the open market, and are becoming scarcer in consequence of their gradual absorption by investors here and in Europe; they HAVE A READY MARKET IN ALL THE PRINCIPAL MONEY-CENTERS, and have still twenty-four years to run; the earnings of the road are steadily increasing, and will probably reach \$10,000,000 for the current year, affording a handsome surplus after payment of expenses and interest.

Present price, 101% to 102. When the Chesapeake and Ohio Railroad is com. pleted, in 1872, and the Bonds are dealt in at the Stock Exchanges of the world, we have no doubt they will be equally popular with the Central Pa-cifics. Both principal and interest of the CENTRAL PACIFIC and CHESAPEAKE AND OHIO BONDS are specifically payable in gold coin in New York; the interest on the former being paid January and July, and of the latter, May and November, corresponding with the two classes of Five-twenties.

We recommend either of them to our friends and customers with the SAME CONFIDENCE THAT WE DID THE FIVE-TWENTY BONDS, when we were selling millions of them for the United States Government. We buy and sell FIVE-TWENTIES, TEN-FORTIES, EIGHTY-ONES, and CENTRAL or

WESTERN PACIFICS, or receive them in payment for CHESAPEAKE AND OHIO BONDS at their current market price. Orders for Chesapeake and Ohio Bonds, accompanied with Drafts or Checks, may be forwarded to us by mail. Bonds or money may be forwarded by any responsible Express Company at our expense, and the Chesapeake and Ohio Bonds, in exchange,

will be sent by return Express, charges paid. FISK & HATCH. ceived, on which we allow Four per Cent. interest. Certificates of deposits issued and collections made in all parts of the Union. HABVEY FISK.
